**§ 641.847 What uniform allowable cost requirements apply to the use of SCSEP funds?**

(a) *General.* Unless specified otherwise in this part or the grant agreement, recipients and subrecipients must follow the uniform allowable cost requirements that apply to their type of organization. For example, a local government subrecipient receiving SCSEP funds from a nonprofit organization must use the allowable cost requirements for governmental organiza-

tions in OMB Circular A-87. The Department’s regulations at 29 CFR 95.27 and 29 CFR 97.22 identify the Federal principles for determining allowable costs that each kind of organization must follow. The applicable Federal principles for each kind of organization are described in paragraphs (b)(1) through (b)(5) of this section. (OAA sec. 503(f)(2)).

(b) *Allowable costs/cost principles.* (1) Allowable costs for State, local, and Indian Tribal government organizations must be determined under OMB Circular A-87, “Cost Principles for State, Local and Indian Tribal Governments.”

(2) Allowable costs for nonprofit organizations must be determined under OMB Circular A-122, “Cost Principles for Non-Profit Organizations.”

(3) Allowable costs for institutions of higher education must be determined under OMB Circular A-21, “Cost Principles for Educational Institutions.”

(4) Allowable costs for hospitals must be determined in accordance with appendix E of 45 CFR part 74, “Principles for Determining Costs Applicable to Research and Development Under Grants and Contracts with Hospitals.”

(5) Allowable costs for commercial organizations and those nonprofit organizations listed in Attachment C to OMB Circular A-122 must be determined under the provisions of the Federal Acquisition Regulation (FAR), at 48 CFR part 31.

**§ 641.850 Are there other specific allowable and unallowable cost requirements for the SCSEP?**

(a) Yes, in addition to the generally applicable cost principles in § 641.847(b), the cost principles in paragraphs (b) through (g) of this section apply to SCSEP grants.

(b) *Claims against the Government.* For all types of entities, legal expenses for the prosecution of claims against the Federal Government, including appeals to an Administrative Law Judge, are unallowable.

(c) *Lobbying costs.* In addition to the prohibition contained in 29 CFR part 93, SCSEP funds must not be used to pay any salaries or expenses related to

any activity designed to influence legislation or appropriations pending before the Congress of the United States or any State legislature. (See § 641.824).

(d) *One-Stop Costs.* Costs of participating as a required partner in the One-Stop delivery system established in accordance with section 134(c) of the Workforce Investment Act of 1998 are allowable, provided that SCSEP services and funding are provided in accordance with the Memorandum of Understanding required by the Workforce Investment Act and section 502(b)(1)(O) of the Older Americans Act, and costs are determined in accordance with the applicable cost principles.

(e) *Building repairs and acquisition costs.* Except as provided in paragraph (e) of this section and as an exception to the allowable cost principles in § 641.847(b), no SCSEP funds may be used for the purchase, construction, or renovation of any building except for the labor involved in:

(1) Minor remodeling of a public building necessary to make it suitable for use for project purposes;

(2) Minor repair and rehabilitation of publicly used facilities for the general benefit of the community; and

(3) Minor repair and rehabilitation by participants of housing occupied by persons with low incomes who are declared eligible for such services by authorized local agencies.

(f) *Accessibility and reasonable accommodation.* Recipients and subrecipients may use SCSEP funds to meet their obligations under section 504 of the Rehabilitation Act of 1973, as amended, and the Americans with Disabilities Act of 1990 and any other applicable Federal disability nondiscrimination laws to provide physical and programmatic accessibility and reasonable accommodation/modifications for, and effective communications with, individuals with disabilities. (29 U.S.C. 794).

(g) *Participants' fringe benefit costs.* Recipients and subrecipients may use SCSEP funds for participant fringe benefit costs only under the conditions set forth in § 641.565.

**§ 641.853 How are costs classified?**

(a) All costs must be classified as "administrative costs" or "program costs." (OAA sec. 502(c)(6)).

(b) Recipients and subrecipients must assign participants' wage and fringe benefit costs and other participant (enrollee) costs such as supportive services to the Program Cost cost category. (See § 641.864). When participants' community service assignments involve functions whose costs are normally classified as Administrative Cost, compensation provided to the participants shall be charged as program costs instead of administrative costs, since participant wage and fringe benefit costs are always charged to the Program Cost category.

**§ 641.856 What functions and activities constitute costs of administration?**

(a) The costs of administration are that allocable portion of necessary and reasonable allowable costs of recipients and first-tier subrecipients (as defined in paragraph (c) of this section) that are associated with those specific functions identified in paragraph (b) of this section and that are not related to the direct provision of programmatic services specified in § 641.864.
